

# Midwest<sup>®</sup> Stylus<sup>™</sup> ATC

The MIDWEST<sup>®</sup> STYLUS<sup>™</sup> ATC high speed handpiece changes everything.

Its **Speed Sensing Intelligence** delivers constant speed under load by automatically optimizing power without stalling for unmatched cutting efficiency and faster removal of material. The **Superior Turbine Suspension** ensures outstanding precision, accuracy and control while virtually eliminating bur deflection and chattering. Midwest<sup>®</sup> Stylus<sup>™</sup> ATC delivers an unmatched cutting experience so extraordinarily smooth, powerful and efficient, it not work anymore. It's thoroughly satisfying.

Feature	Benefit
Most powerful air driven handpiece available	Unmatched cutting experience
Speed-Sensing Intelligence	<ul style="list-style-type: none"> <li>• Automatically optimizes power to eliminate stalling and need to feather</li> <li>• Adjusts speed to what the dentist needs</li> <li>• Delivers smooth, constant power and control for unmatched cutting efficiency and faster removal of material</li> <li>• Adjust speed when bur is not under load to minimize wear on bearings</li> </ul>
Superior Turbine Suspension	<ul style="list-style-type: none"> <li>• Outstanding precision, accuracy and control</li> <li>• Allows handpiece to operate at speeds of 330,000RPM under load without noticeable bur deflection and chattering for better control and precision</li> <li>• Creates a greater, more consistent transfer of power from the handpiece to the bur for maximized cutting efficiency</li> <li>• Allows dentist to create the degree of precision they need – time after time</li> <li>• Smooth, precise control for margin refinement and restorative procedures</li> </ul>
Lightweight, ergonomic design	All day comfort
Swivel with exceptional rotational capabilities	Exceptional freedom of movement
Mini and Medium heads available	Outstanding visibility, access and maneuverability
Short shank and regular bur compatibility	Enhanced access to posterior surfaces
Low pitch and tone	Dentist and patient comfort

<p><b>Midwest Stylus ATC Starter Package with 2 ATC Handpieces</b></p> <ul style="list-style-type: none"> <li>• 883100 With 2 Midwest Stylus ATC Mid-Sized head Fiber Optic Handpiece</li> <li>• 883200 With 2 Midwest Stylus ATC Mini-head Fiber Optic Handpiece</li> </ul>	<p><b>Midwest Stylus ATC Starter Package PLUS with 3 ATC Handpieces</b></p> <ul style="list-style-type: none"> <li>• 884100 With 3 Midwest Stylus ATC Mid-Sized head Fiber Optic Handpiece</li> <li>• 884200 With 3 Midwest Stylus ATC Mini-head Fiber Optic Handpiece</li> </ul>
